

# Risk Assessment

BUSINESS	PHOENIX CRICKET CLUB	Personnel carrying out task	MEMBERS	Page Number	Page 1 of 6
DATE	05.05.20	Other personnel in area	COACHES	Assessment Number	1
ASSESSORS	Alan Maginnis/Niall Sugrue/Emer Bell	Others affected	FAMILY RELATIONS	Revision Number	1
TOPIC/TASK	COVID-19	Is anyone at particular risk? (lone/young/pregnant/disabled personnel)	Yes - Age>70 years,	Next Scheduled Review Following Approval	?
		If Identified, an additional and specific risk assessment is required			

## What are the hazards?

List the tasks in sequence and identify significant hazards that could reasonably be foreseen to cause harm

## What are the Current Controls?

Specify what the current control measures are:

## Is Further Action Required?

Considering the remaining risks, legal requirements, industry standards etc are the controls adequate (indicate Y/N).

If an action is required, the detail should be recorded. The name(s) of the person / people responsible for the action, together with the timescale for completion, must be entered in the Action List Summary which forms the final page of the Risk Assessment.

The manager for the business is responsible to ensure Action Plans are monitored and signed off when complete.

## Assess the Risk

**Risk Rating** is calculated by multiplying the **Probability** (likelihood) against the **Severity** (impact), i.e. (P x S).

**High risk equals 16 to 25:** High Risks activities should cease immediately until further control measures to mitigate the risk are introduced.

**Medium risk equals 9 to 15:** Only tolerated for the short-term and then only whilst further control measures to mitigate the risk are being planned and introduced, within a defined time period.

**Low risk equals 1 to 8:** Largely acceptable, subject to reviews periodically, or after significant change.

PROBABILITY	SEVERITY
5. Almost Certain	5. Fatality
4. Probable	4. Major Injury, resulting in disability
3. Possible	3. Injury Requires, Doctor's or Hospital attendance
2. Possible (under unfortunate circumstances)	2. Minor Injury, 1st Aid required
1. Rare	1. Minor Injury, 1st Aid not required

## **GENERAL ADVICE TO BE POSTED AT THE CLUB**

### **Good hygiene and hand washing**

All members while in Phoenix CC should follow this advice and encourage others to follow this advice too.

- Wash hands prior to coming to the Club & Wash hands as soon as they return home:
- If driving, best to do so alone. IF a 'lift' must be given, ensure only one non-family passenger suitably distanced in the car.
- If using public transport, follow HSE guidelines.
- Arrive 'practice' or 'game' ready – that is, come changed and prepared to play.
- Bring your own playing equipment for your practice – and lend out to no-one during the session
- Bring your own Club issued Ball for your practice.
- Identify who the Club's Covid officer is for the session and be sure to follow any advice given.
- USE the hand sanitiser provided prior to and after practice.

### **DON'T:**

- **Do not touch your eyes, nose or mouth if your hands are not clean.**
- **Do not share objects that touch your mouth – for example, bottles, cups.**
- **If you must cough or sneeze do so into a clean tissue or at worst into the 'elbow' of your sleeve.**
